**Physician Survey
Summa Center for Sports Health**

Summa Center for Sports Health is forming a Physician Sports Health Network. The purpose of this committee will be designed to help develop and implement a "sports health team" of physicians. These physicians will be based upon set criteria that the committee will develop. These physicians will have to agree to set standards of care, including 24-72 hour referrals. The physicians in this network may also be called upon to present at upcoming CME symposiums, to be interviewed for a newspaper article, etc..

The purpose of this survey is to find out your level of interest in being a part of this network. By filling out the survey, this does not commit you to anything. This simply gives us an idea of what physicians would like additional information.

Please take a moment to fill out this survey. You can fax it to: Hollie Kozak – Manager at 330-379-5911. If you have questions, please contact Dr. Nilesh Shah at 330-379-9831. Thank you.
